

West Coast Kids ICT Conference

Thurs 9th and Fri 10th June 2011
Shantytown

This year's workshops explore a wide range of technologies and present a great range of learning opportunities for participants that can come back into your classrooms.

These are in photograph and digital imagery, music and movie making, online video animation, build a computer, and creating the conference newspaper.

The technologies used are *Scratch, Comic Life, iMovie, Garage Band, Keynote, Pages, Jing, Aviary, Xtranormal and more.*

Be in quick to register for the workshops choices your students are interested in attending.

Registrations are now open at: <http://ictkidsconference.ictwestcoast.ac.nz/>

Registrations Close Friday 27th May.
Cost: \$95.00 plus GST per student

Enquires: Please direct any enquiries to Vanessa Wallace, Principal, Awahono School on 03 7327713.
